# A Pathway Home for Families in Shelter

Each year, upwards of 250 families move out of Bethany House's emergency shelter and into their own homes. But the costs to restabilize these families are great: first month's rents, last month's rents, security deposits, utility arrears, household supplies, and more. Participation in The Pathway Home Golf Outing helps to ensure families move out of shelter as quickly as possible and start their Pathway Home.

## Sponsoring a Move

It costs an average of \$5,000 per family to move them out of shelter into their new home. A Pathway Home matches donors (sponsors) with families to ensure all costs are covered on their moves out of shelter.

## Your Impact

Have you ever wanted to understand exactly what your money does when you donate to a good cause? When you make a donation to A Pathway Home, you will not only enable a family to restart their new life but also know exactly how you helped them.

## Who is Bethany House?

For over 40 years, Bethany House has empowered homeless and at-risk women, children, and families with the solutions to achieve housing stability and long-term self-sufficiency.

Bethany House is the largest provider of family homelessness services in Greater Cincinnati. We operate programs that address the full continuum of housing instability including homelessness prevention, emergency shelter, and post-shelter re-housing.
